## SUMMARY OF QUALIFICATIONS

Dr. Roberta Neault, President of Life Strategies Ltd., is an award-winning career management specialist with over three decades of relevant experience in counselling, coaching, consulting, training, curriculum design, research, and writing. Roberta's strengths lie in her professionalism, infectious enthusiasm for empowering individuals and organizations, and "hands-on" experience working with diverse groups of people. Equally comfortable with leadership/executive teams and individuals just entering the workplace, Roberta has lived/worked/travelled through more than 70 countries, supporting people from diverse cultures, educational levels, and employment experiences, across all stages of life. She serves as Associate Dean of the Faculty of Behavioural Sciences at Yorkville university; teaches at several other universities, both online and in-person; and has developed countless courses and programs.
